

Get Set 4 P.E.

Guess the number

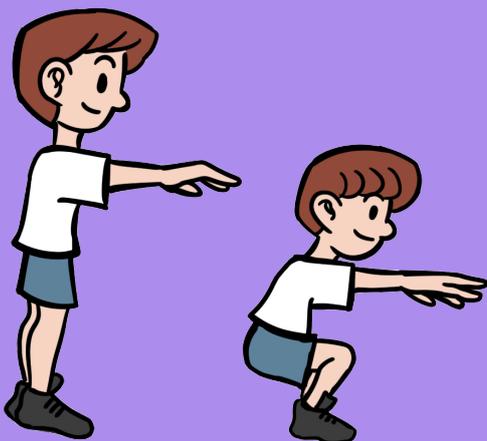

What you need: A clear space so tuck your chairs in before you begin.

How to play:

- The teacher selects one pupil to stand at the front with their back to the board.
- The teacher writes a number on the board and the pupil at the front guesses what it is.
- All other pupils help to let the person know if they need to guess higher or lower by performing the following:

Star jumps to guess higher

Squats to guess lower

Make this easier by telling the pupils it will be a number between 0 - 20
